Subject: vote pad

the vote pad is the best voting procedure for blind and visual impaired people that i have ever used i have voted for twenty four years and the vote pad is the greatest way for blind and visually impaired people to show the sighted voters that blind and visual impaired people can do alot of things the the public can do.

to vote with out eny help from eny one with sight well that says it.

bob lichtner

[Mr. Lichtner is a Member of Bucks County Association for the Blind and has been blind for seventeen years]
